

## Junior Olympic Classification

The following is the Classification Code for the AASA Girls Junior Olympic program:

### **A. Class A**

1. All teams will be classified as Class A teams unless they meet the criteria below for B or C teams.

### **B. Class B**

1. Teams that consist of players from within the same town or city, that do not play in a league setting.
  
2. A league all-star team that has a player(s) that was or were not part of the league. If a player has not been registered individually in ASA she must be IRd at the \$11.50 Level.

### **C. Class C Recreation (League Teams)**

1. Teams that play in a league where all players are drafted or come from an area that can only field one (1) or (2) teams in any one (1) division (10U, 12U, etc) and play as part of the league.

### **D. Class C Recreation All-Star**

1. An All-Star Recreation Team is comprised of players from the Recreation League that went through the **initial league draft** and the players have participated in League Play.

Exception: An All-Star team may not participate in the Rec. League Tournament with more than 2 school players on the roster. These players cannot have participate with any travel ball team prior to the State Tournament Finals and must have been listed in the initial team draft or registration.

2. A player must be in a league's original draft for the upcoming year to be eligible to participate in the Alabama ASA League All-Star Tournament Finals.
  
3. A player that has played on any travel team in the current year prior to the state finals cannot participate in the Recreation All-Star Tournament.

- E. Only ASA Recreation Leagues may enter teams in Class C Recreation League or League All-Star tournaments.
